RELEVANT EXPERIENCE

Hardesty, LLC. – *Partner* – Provided pre-sale and transaction assistance, acquisition due diligence and post-transaction CFO support for over 50 portfolio companies of private equity groups

Tatum, LLC – *Partner* – Performed a variety of projects for over 40 clients ranging from start-ups to firms of over \$300M.

Hitco Carbon Composites. – *CFO* – \$145M, five-location, 650 employee aerospace/commercial composite manufacturer.

Commercial Composites, Inc. – *CFO* - \$105M, three-division, six-plant manufacturer.

OPERATIONAL SKILLSET

- Created the corporate offices of a manufacturing division acquired by a private equity firm from a large conglomerate including hiring all new staff for the financial, HR, payroll and IT functions, acquiring new IT equipment and software.
- Developed over 25 financial interactive models for various firms to help with business planning and budgeting, acquisitions, financing, strategic analysis and divestiture.
- Developed operational and financial dashboard, monthly reporting tools for internal management and quarterly Board of Directors reporting for dozens of clients. Several Private Equity firms have adopted the format for all of their portfolio companies.
- Led acquisition and divestment teams for many clients. Most recently supported the sale of several companies, representing the owners of the company, working with the investment bankers, acting as the CFO throughout the preparation for sale, due diligence and transition after the sale for the new owners.
- Led management teams through financial analysis to evaluate, negotiate and perform due diligence for several retail, manufacturing and distribution potential acquisitions. Led planning for the integration of the acquired companies.
- Became part-time CFO for several acquired portfolio companies for periods ranging from six months to nine years.
